GERBANG ASPIRASI GENERASI MAHIR

Covers the **educational ecosystem** with additions to content that **focuses on "hard skills" & "soft skills"**

Established in 2017, Sinar Bestari began as a platform to amplify the voices of educators, parents, and students while addressing key education issues and success stories in Malaysia. Its mission is to foster student development through strong collaboration within the educational community.

In June 2021, Sinar Bestari expanded its reach by launching a comprehensive portal, focusing on both hard and soft skills, making it a unique educational hub in Malaysia. With its tagline, "Gerbang Aspirasi Generasi Mahir", the platform aims to bridge educational gaps and nurture future-ready individuals.

Every Monday, Sinar Bestari offers a 4 to 8 pages pull-out in Sinar Harian, featuring updates on education and skills development. Its digital presence spans social media platforms such as Facebook, Instagram, YouTube, X and TikTok.

Looking ahead to 2025, the newborn Akademi Sinar Bestari will enhance this ecosystem by organizing events, seminars, workshops, and skill-building activities to empower students further.

TERMS & CONDITIONS

i. The rates shown are non-inclusive of any sales tax, service tax or value added tax ("SST"). If SST is required by law to be paid by the Publisher to the relevant tax authorities in Malaysia, the Advertiser shall pay the Publisher a sum equal to the amount of SST under each invoice.

ii. The rates shown above will be entitled for 15% Agency commission.

iii. Advertisement rates are subject to revision at any time and the price prevailing at the time the contract is made binds the Publisher only in respect of the agreed booking as confirmed by the Publisher's Acknowledgement of Order Form. The rates are valid from 1st January 2025 until 31st December 2025 and all bookings must be utilized within one (1) calendar year from the date of acceptance.

iv. The issue of a Rate Card does not constitute an offer by the Publisher to contract. A contract is made only by the company's acceptance of the Advertiser's order as effected by the company issuing an Acknowledgement of Order Form / written confirmation.

v. Acceptance of booking and the completion of the Contract shall take place on the date of the contract form. A contract cannot be cancelled within the term of the agreement signed from the date applied. Any unfulfilled packages will be surcharged according to unutilized.

vi. The Publisher will invoice the Advertiser for the agreed advertising rate following the signed contract form. Invoices will be due and payable within 30 days of the date of the invoice. All payment must be upfront upon signing the contract.

vii. All bookings must reach the Publisher within five (5) working days before the publication date.

In the event the Advertiser has made part payment for the advertisement(s) and the Utilisation Period has expired, the Advertiser will be required to pay a surcharge of 100% of the normal/casual rate on the part payment in addition to settling the balance payment in full prior to utilizing the advertising package.

x. The Publisher reserves the right at any time in its absolute discretion to cancel any Contract or to omit or suspend an Advertisement (for example if it is unlawful, defamatory, pornographic, socially unacceptable, insensitive or otherwise contrary to editorial policy). Should cancellation, omission or suspension be due to the act or default of the Advertiser or his servants or agents including the unsuitability of the Advertisement as indicated above. Such cancellation, omission or suspension shall be notified to the Advertiser as soon as reasonably possible.

xi. Terms including the documents or other sources referred to in these terms and conditions supersede all prior representations undertakings and agreements between the Advertiser and the Publisher and set forth the entire agreement and understanding between the Advertiser and the Publisher.
