As Malaysia's first and only state-owned television station, TVS is a multi-platform media ecosystem dedicated to showcasing regional and national stories, empowering communities and celebrating the nation's rich multicultural heritage with nationwide reach.

From linear television, digital and social media platforms to Digital Out-of-Home, live events coverage and on-ground activations, TVS offers an integrated media network that connects governments, brands and communities with audiences across Malaysia and beyond. By combining the reach and credibility of television with the immediacy and engagement of digital media, TVS delivers culturally relevant content and meaningful brand experiences across every screen and touchpoint.
