MEDIA RATE CARD 2026

AUDIENCE PROFILE

Targeting FMT's audience means connecting with a powerful demographic that drives consumption and shapes opinion, ensuring your brand reaches the people who matter most.

91%

HIGHER EDUCATION

More than 90% of our audience possess a tertiary education, a **strong and informed audience** that makes a highly valued environment for your brand and narrative.

73%

M40 + T20 HOUSEHOLDS

Maximise your brand and narratives by targeting the engine of the Malaysian economy. 73% of our audience belongs to the M40 and T20 income brackets, ensuring your campaign reaches those with the **highest disposable income.**

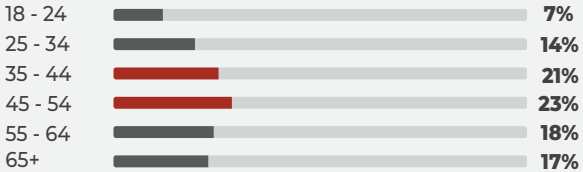

DEMOGRAPHICS

Balanced across age and gender, FMT's audience reflects Malaysia's new consumer face — educated, diverse, and influential in shaping demand.

GENDER

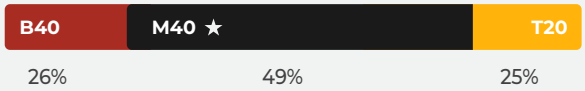

AGE PROFILE

ECONOMIC POWER

FMT's audience is anchored in Malaysia's middle and upper income groups, representing strong household spending capacity and real economic influence.

HOUSEHOLD INCOME

FAMILY PROFILE

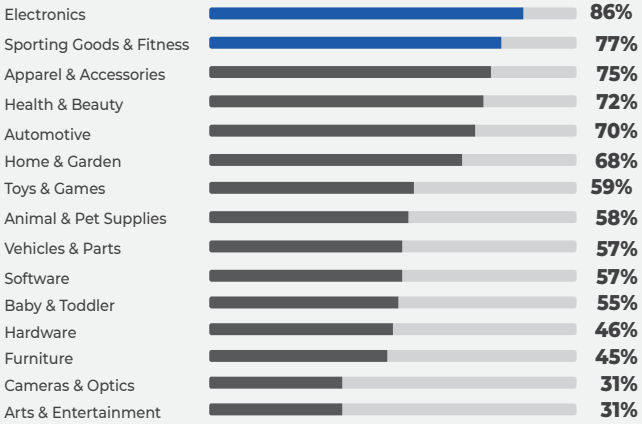

68% without dependents - higher discretionary spend

PURCHASE INTENT

Beyond readership, FMT's audience actively shops — showing clear purchase intent across diverse lifestyle categories from electronics to health and beauty.

CATEGORY INTENT

FMT connects brands with informed, economically active Malaysians — delivering scale, premium audiences, and genuine purchase intent across digital, social, and video platforms.

Data taken from Google Analytics and a survey done by Rev Media Group, as of 2025
